

We are HUB - We help you prepare for the unexpected. When you partner with us, you're at the center of a vast network of experts who will help you reach your goals through risk services, claims management, and compliance guidance. With HUB, you have peace of mind that what matters most to you will be protected — through unrelenting advocacy and tailored solutions that put you in control.

HUB was established in 1998 with the merger of 11 privately held insurance brokerages in Canada. That number has grown to a network of more than 450 integrated brokerages across North America all carrying the HUB banner and employing 11,000 colleagues. We are the 5th largest insurance broker in the world and #1 in Canada with over \$20 billion in annual written premium under management.

Insurance and surety for the construction industry is one of HUB's primary specialty areas. With our deep understanding of the unique practices and needs of the industry, we'll work with you to create construction insurance, risk management and surety solutions that lay a foundation for your success.
